

Vital Records

The Exeter Town Clerk's Office maintains the official record for all births and deaths occurring in the Town and of all marriage licenses issued in the Town. The Town also maintains the records of most divorces occurring since 1990.

Under New Hampshire statutory requirements and applicable administrative rules, certain older records are open to the public while other, more recent records, are only available when the applicant has a "direct and tangible interest" in the record. The records open to the public are as follows:

Birth Records - Prior to 1910

Death Records - Prior to 1960

Marriage Records - Prior to 1960

Divorce Records - Prior to 1960
